A-Class and GLA

Mercedes-Benz

Exterior

Interior

Safety and quality.

At Mercedes-Benz the vision of accident-free driving is paramount. Because where Mercedes-Benz vehicles are concerned, we take the same uncompromising approach to safety as we do to driving pleasure. There are no compromises when it comes to developing the range of Genuine Accessories either. Perfectly tailored to your vehicle and extensively tested by our engineers, the products not only make an active contribution to your safety but also protect other road users.

The star has always signified allure, perfection and responsibility – attributes which are also reflected in the quality of our accessories, all of which further enhance our vehicles' style or sportiness – not to mention their already outstanding comfort. That special sense of design and attention to detail make a vehicle a true Mercedes-Benz. From that first outward impression to the inner attributes. Quality you can sense: just by looking, listening, touching – and of course driving.

Because of differences in national regulations, various different versions of each vehicle exist. Please also bear in mind that vehicle development is permanently ongoing. As a result, not all of the wheel/tyre combinations shown in this brochure will be approved for your particular Mercedes-Benz. Your authorised Mercedes-Benz dealer has access to constantly updated information on every Mercedes-Benz wheel, including the relevant technical inspection findings and licensing conditions, and will be happy to advise you.

Choose your favourite wheels online. Our Accessories Configurator shows you at a click of the mouse how the various Mercedes-Benz light-alloy wheels will look on your vehicle. Visit our website at <http://configurator.mercedes-benz-accessories.com>.

Light-alloy wheels are supplied without tyres, wheel bolts, valve caps or hub caps.

All the information you need – at a glance.

Mercedes-Benz telematics.

	A-Class	GLA	Item number
01 Garmin® MAP PILOT. Transforms your Audio 20 radio into a high-performance navigation system with 3D map display. Garmin® MAP PILOT uses the standard-fit large display and can be conveniently operated using your vehicle's controller and the Audio 20 keypad. Available for a wide range of countries. For details and the latest updates, visit the Mercedes-Benz Shop at http://shop.mercedes-benz.com .		●	on request
Reversing camera Not pictured. The reversing camera is automatically activated when reverse gear is engaged. It assists the driver when reversing into a parking space. Static and dynamic guide lines show the driver the steering angle and distance.	●		on request
02 Europe navigation update for COMAND Online and Garmin® MAP PILOT¹ Not pictured. Did you know that we update 20% of the information on our navigation media every year? Changes include new roads and junctions, altered priorities, new points of interest such as filling stations and restaurants and additional countries, above all in Eastern Europe.		●	on request
Media Interface Connecting Cable kit^{2,3,4} Not pictured. The Media Interface Connecting Cable kit offers connectivity for customer devices with micro USB, USB type C and devices/connecting cables with USB-A plugs. The Media Interface connecting cables are available individually and in a kit.	●		A177 820 3001
03 Media Interface Connecting Cable kit^{2,3}. Control your iPod®, your iPhone®, or other devices with a micro USB connection via the multifunction steering wheel or your audio system.		●	A213 820 4202
04 Media Interface adapter cable². The Media Interface adapter cable with USB type C plug for the new connection on the vehicle side offers the opportunity to connect a customer device with a matching cable or a USB flash drive.	●		A177 820 2901

¹ For the latest navigation updates, visit our online shop at <http://shop.mercedes-benz.com>. Orders can only be placed and deliveries made within Germany.

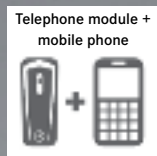

² Further details at <http://www.mercedes-benz.com/connect> ³ Cables are also individually available. ⁴ Expected to be available from July 2018.

		A-Class	GLA	Item number
01	Mercedes-Benz Bluetooth® (SAP)^{1,2} telephone module. The telephone module ensures that COMAND Online has a fast, stable and secure internet connection via the integral UMTS module and the direct link to the vehicle's external aerial. You can simultaneously talk on the phone, use Mercedes-Benz Apps and have your text messages read aloud. The telephone module can be used as a permanently installed telephone or as a data modem with all of the functions of Convenience Telephony (code 386): it is operated via your multimedia system and uses the personal contact details on your mobile phone's SIM card. With USB interface for power supply. The telephone module can be operated via the SIM card in your mobile phone or by inserting a SIM card directly into the module.		●	A212 906 6303
	Data cable for USB tethering^{1,3} Not pictured.		●	A222 820 5115
02	Universal smartphone cradle^{1,4}. The universal smartphone cradle allows you to use a variety of different telephones in conjunction with the vehicle's external aerial. The size of the cradle can be altered at the upper and lower edge to offer the optimum fit for each smartphone. The cradle is fitted to the pre-installation in the centre console as normal and the smartphone is connected to the audio system via Bluetooth®. The inductive aerial in the cradle, together with the connection to the external aerial, ensures optimum reception during phone calls or when using the internet. Separately available charging cables with micro USB or Lightning connectors allow you to charge your smartphone in conjunction with the universal smartphone cradle.		●	A222 820 6401
	Charging cable with micro USB port Not pictured.		●	A222 820 6601
	Charging cable with Lightning connector Not pictured.		●	A222 820 6701
03	USB power charger. An elegant rapid charger for your mobile phone. Its intelligent "smart charging" and output of up to 2 x 2.4 A allow you to power up your mobile quickly and conveniently via the cigarette lighter while you're on the move. The elegant design echoes that of your vehicle key and blends perfectly with the interior. With overheating protection and subtly illuminated USB slots that make the charger easy to use in the dark, too.	●	●	A213 820 2403

¹ Further information on the compatibility of mobile phones, amongst other things, can be found at www.mercedes-benz.com/connect

² Only in conjunction with car telephony, code 379. *SAP (SIM Access Profile) allows the module to read a mobile phone's SIM card.

³ For vehicles with COMAND Online, code 531. ⁴ Only in conjunction with Universal Telephony package, code 386.

Keeping young passengers in their place. Child safety.

If your vehicle features automatic front passenger airbag deactivation (special equipment code U10), sensor readings classify the occupant by weight. With rear-facing child seats, the front passenger airbag is deactivated, while with front-facing child seats the airbag is either activated or deactivated depending on the classification. The system works both when using i-Size/ISOFIX attachment

points and when the child seat is attached using only the seat belt. Mercedes-Benz child seats are available in the “Limited Black” design. The covers are washable and very hardwearing. Replacement headrest covers are available for the “BABY-SAFE plus II”, “DUO plus” and “KIDFIX” child seats in chilli red and flannel grey.

	A-Class	GLA	Item number
01 “KIDFIX” child seat. Booster seat with height-adjustable backrest with seat side bolsters for side impact protection. The “KIDFIX” seat can be secured using the ISOFIT attachment system in addition to the three-point seat belt. For children between the ages of around 3.5 and 12 (15 to 36 kg).	●	●	A000 970 2002
02 “KIDFIX XP” child seat, with ISOFIT. Support and safety for older children, too: the quality “KIDFIX XP” child seat is suitable for children between the ages of around 3.5 and 12 years (15 to 36 kg) and is securely attached to the vehicle by means of the 3-point seat belt or, in addition, ISOFIT. If required, the backrest can be removed so that the “KIDFIX XP” can be used as a booster seat.	●	●	A000 970 2302
03 “DUO plus” child seat. Offers safety for children between the ages of around 9 months and 4 years (9 to 18 kg). Fitted as standard with TopTether, an additional belt for securing the head section, a height-adjustable shoulder belt, vent lines and ISOFIX child seat securing system. Adjustable tilt.	●	●	A000 970 1702
04 “BABY-SAFE plus II” child seat. Offers safety through deep, moulded seat shell for high side impact protection. Special padding, designed to protect particularly vulnerable body areas of infants up to around 15 months (up to 13 kg).	●	●	A000 970 1302

04 Rear bicycle rack.	41
05 Exterior mirror housings in high-gloss black.	18

Practical stowage for your sports equipment. Genuine transport solutions.

		A-Class	GLA	Item number
01	Basic carrier bars. Aluminium carrier bars, precision-tailored to the body of your Mercedes-Benz – the perfect basis for a range of Mercedes-Benz transport accessories: ski and snowboard rack, bicycle rack or roof boxes. Fitted in next to no time without the use of tools, thanks to new, innovative quick-grip fasteners. Aerodynamic Mercedes-Benz design with optimised noise level. Crash-tested. Lockable.	●		A177 890 0500
	Roof railing carrier bars Not pictured. Aluminium carrier bars, precision-tailored to the body of your Mercedes-Benz – the perfect basis for a range of Mercedes-Benz transport accessories: ski and snowboard rack, bicycle rack or roof boxes. Aerodynamic Mercedes-Benz design with optimised noise level. Crash-tested. Lockable.		●	A156 890 0093
	Transport and stowage bag Not pictured. Robust bag, made from high-quality nylon fabric. Protects your basic carrier bars when stowing or transporting them.	●	●	A000 890 0111
	Mercedes-Benz roof boxes. An aerodynamic design, tailored to your Mercedes-Benz. Made from extremely durable material. Designed for quick, optimised attachment to the basic carrier bars. Particularly convenient loading and unloading thanks to the option of double-sided opening. Lockable from both sides.			
02	Mercedes-Benz roof box 400. Capacity approx. 400 litres. Maximum load capacity 75 kg ¹ . Handle strip for easier opening and closing.			
	black metallic.	●	●	A000 840 0000
	matt silver.	●	●	A000 840 0100
	Ski rack insert Not pictured. Insert for securing your skis – tailored precisely to the internal dimensions of the roof box.			
	For roof box 400. A secure hold for up to 4 pairs of skis ² .	●	●	A000 890 2193
03	New Alustyle ski and snowboard rack, Comfort. For up to 6 pairs of skis ² or 4 snowboards. Lockable. Practical pull-out function makes loading and unloading easier.	●	●	A000 890 0393
04	New Alustyle ski and snowboard rack, Standard. For up to 4 pairs of skis ² or 2 snowboards. Lockable.	●	●	A000 890 0493

¹ Please bear in mind your vehicle's permissible roof load. ² Subject to geometry of skis.

Boxes open on both sides for convenient loading and unloading.

Ready for adventure. Genuine bicycle racks.

	A-Class	GLA	Item number
01 Rear bicycle rack for trailer hitch, folding. Easy-to-use, lockable rear bicycle rack, designed to provide secure transport for 2 or 3 bicycles. Extremely simple to fit to the trailer hitch. Securing your bikes on the rack is equally simple. Maximum load of up to 30 kg per rail, making rack suitable for most ebikes. An ingenious roller mechanism means that the boot can still be opened. The rack is easy to fold for space-saving stowage in the boot, at your holiday accommodation or at home.			
For 2 bicycles.	●	●	A000 890 1100
For 3 bicycles.	●	●	A000 890 1200
02 New Alustyle bicycle rack¹. Extremely lightweight bicycle rack, designed to be attached to the basic carrier bars. Cycles can either be attached to the rack: once it is in place on the roof or before it is fitted. Support frame folds down when not in use to reduce drag when travelling without bicycles. Suitable for bicycles with a max. frame diameter of 98 mm (circular frame tubes) or 110 x 70 mm (oval frame tubes).	●	●	A000 890 0293
Distance adapter for New Alustyle bicycle rack. Connecting element, required when using the New Alustyle bicycle rack. Easy to fit.		●	A002 990 0399
03 Adapter for trailer. For trailer with 7-pin plug.	●	●	A000 821 1856
04 Manually folding trailer hitch. High anti-corrosion protection. Maximum tongue weight 75 kg.		●	on request
05 Semi-automatic folding trailer coupling. High anti-corrosion protection. Maximum tongue weight 75 kg.	●		on request

¹ Please bear in mind your vehicle's permissible roof load.

Excellent ideas for cargo big and small. Genuine boot/load compartment accessories.

	A-Class	GLA	Item number
01 Snap-in module for load compartment floor ¹ . Partition your boot to suit your requirements and prevent the contents from sliding around: The brackets can be freely positioned along the outer edges of the load compartment floor. The system's telescopic frame provides a secure hold. Ex-factory pre-installation (code 942) is not required.	●	●	A166 860 0034
02 Shallow boot tub, black. Made from impact-resistant, non-slip polypropylene. Structured surface holds separately available stowage box in place. Vehicle's load-securing rings remain accessible.		●	A156 814 0000
	●		A177 814 0100
03 Stowage box, black. A secure hold for items which are liable to tip over or slide around. Optimum functionality only in conjunction with shallow boot tub.	●	●	A000 814 0041
04 Lashing strap, black. Adjustable strap with fastener – ideal for securing items to the tie-down eyes.	●	●	A000 890 0294
05 Luggage net, load compartment floor, black. Prevents lightweight objects from sliding around during the journey. In pocket format.		●	A156 868 0074
06 Luggage-securing feature, black. Ingenious solution to the problem of luggage sliding around in the boot. Attaches securely around the object in question thanks to Velcro strip.	●	●	A000 987 0400
07 Collapsible shopping crate, anthracite.	●	●	A203 840 0020

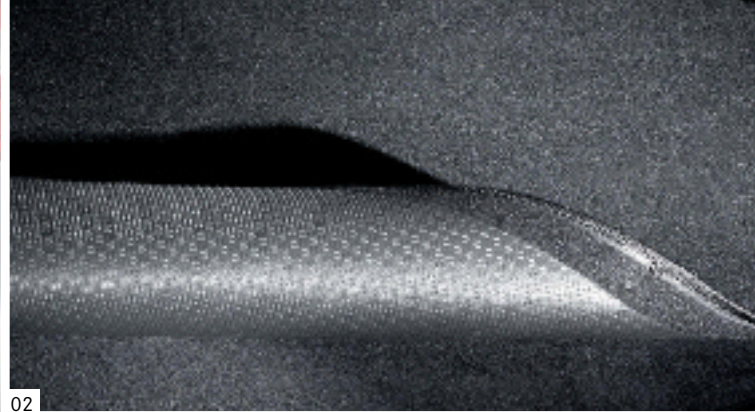

¹ With the extension kit for the snap-in module in place, concertina bags can be fitted in the load area without pre-installation of the load rails (SA code 942).
